Claims should be reported as soon as possible to the Underwriter. For this purpose a claim form should be completed according to the applicable instructions and returned together with the original and detailed bills and all supporting vouchers.

The right to compensation will expire if it is not reported within four (4) years after the date on which the damage occurred.

8.2. What if social security and other insurers also intervene?

In the event that the damage or expenses are also recoverable from another 1st rank insurance company, or a Social Security Institution (Health Fund), this Insurance will only apply to complement the cover in the other policies or schemes up to the given limits in Our Benefits Guide.

8.3. What if We can recover Our payments against a Third Party?

For any payment under this policy, the Insurers have a legal right to recover the amount it has paid for a loss by suing the party that caused the loss. The Insured will be obliged to give his/her full cooperation to secure such rights. By having paid the claim to the Insured Person the Insurers step into the shoes and the rights of Insured Person. This right is also called "subrogation".

8.4. What if We have a dispute in a (medical) expertise?

In case the Policyholder or the Insured Person does not agree in a claims matter, then this should be reported to the Underwriter within 15 days after notification of the decision.

The dispute will be submitted on contradiction to a commission of 2 experts, one designated by the Policyholder and/or the Insured, and one by the Underwriter.

If these experts don't agree, they designate a third expert, whose role is to provide a decisive answer. If one of the parties does not designate an expert, or if both experts do not agree about the choice of the third expert, the designation will be done by the Court of First Instance from the head office of the Underwriter, on appeal of the plaintiff.

Every party carries the fees of his own expert; the fee of the third expert will be carried by both parties at equal share. The same principle will apply for the fees of subcontracting experts to whom they appeal.

Art. 9. Exchange rates and bank costs

Premiums should always be paid in the currency mentioned in the Policy Schedule.

All exchange and all bank costs (including corresponding banks) are at the expense of the payer. Claims will be reimbursed to the Insured Person, or in the currency mentioned in the Policy Schedule, or in the currency of the invoice.

The date of the exchange will be the date of the invoice. The used rate will be the official interbank rate.

All exchange and all bank costs (incl. corresponding banks) are at the expense of the paying party.

Art. 10. What are the obligations of the Insured Person?

The Insured Person will be obliged to:

- report the event which may give rise to a claim to the Underwriter as soon as possible;
- supply the Underwriter with all particulars and documents as soon as possible;
- keep the Underwriter informed of new facts and developments in the case;
- take all reasonable measures and precautions to minimize the damage and the consequences for the Underwriter;
- lend his full cooperation to the claim settlement and withhold every action that may harm the Underwriter's interests.
- all documentation sent to the Underwriter should be complete, properly ordered per Insured Person and chronologic.

If the insured has not fulfilled these obligations, and this turns out to be a disadvantage to the Insurers, the Insurers will have the right to reduce the compensation amounting to this disadvantage. The Underwriter cannot guarantee timely completion of the claim, in that case.

The Insured Person loses any right to reimbursement, taking into account the circumstances under which the event occurred or with respect to any other component of the claim, when he/she:

- has given a misrepresentation of facts or has made an untrue statement;
- withholds information of which he/she could - or reasonably should - know that it might be important to the Underwriter in its assessment.

Art. 11. When We send notifications to each other.

Notifications by the Underwriter to the Policyholder will be made regularly to the Policyholders' last (email) address known to the Underwriter.

The Policyholder and/or the Insured Person will be obligated to notify the Underwriter of any changes of name or address mentioned in the Policy Schedule, changes in existing cover with third parties, changes in profession, or political exposure of the different Insured Persons.

The Underwriter must also be notified in the event of death of the Policyholder or one of the Insured Persons.

The Underwriter cannot be held responsible for the consequences if the Policyholder and/or the insured fails to notify such events.

All notifications, claims, correspondence, Physician's diagnosis and bills, etc... should be in one of the following languages: Dutch, English, French, or German.

All communications sent out by the Underwriter will be done in the contract language.

Art. 12. What if Your risk changes?

The Policyholder shall without delay inform the Underwriter of any significant and permanent change to the risk.

In the event that during the contractual period the risk is increased to such an extent that the Underwriter would have insured the risk according to different conditions if this increased risk had existed at the time of the signing of the contract, it must, within a period of one month starting from the day on which it has taken cognizance of the increased risk, propose the modification to the contract with retro-active effect to the date of the start of the increased risk.

In the event that the Underwriter furnishes proof that it would not under any circumstances have insured the increased risk, it is entitled to cancel the contract within a period of one month starting from the day on which it has taken cognizance of the increased risk.

In the event that the proposed change to the contract is rejected by the Policyholder or if, upon expiry of a period of one month starting from the receipt of said proposal, it is not accepted, the Underwriter may cancel the contract within 15 days.

In the event that a claim occurs and the Policyholder has not complied with the obligation set out in paragraph 1 of this article:

- the Underwriter is under an obligation to provide the agreed service if the Policyholder cannot be held responsible for the failure to notify;
- the service to be provided by the Underwriter is reduced in proportion to the difference between the paid-up premium and the premium that the Policyholder would have had to pay if he had properly reported the risk, if the failure to notify can be attributed to the Policyholder.

However, in the event that the Underwriter furnishes proof that it would not under any circumstances have insured the increased risk, it is only under an obligation to refund all premiums paid;

- in the event that the Policyholder has failed to comply with this obligation by deliberate deceit, the Underwriter may reduce its cover.

The premiums that have fallen due up to the day on which the Underwriter has taken cognizance of the deliberate omission

shall be considered as rightfully belonging to the Underwriter as compensation for damages.

Art. 13. Do I have to pay taxes on the benefits?

All current or future duties and taxes will be borne by the Policyholder or the Beneficiary, depending on the situation. Taxes and other charges applicable on income, or on death benefits, are determined by the laws of the State where The Policyholder, the Insured Person and/or the Beneficiary(ies) are residing and/or by the laws of the country in which the taxable income is acquired.

Art. 14. Which legislation is applicable?

The only legally binding versions of all contractual documentation is the English language version. Only the texts drafted in English may be used as reference documents if discrepancies are found in documents translated into another language.

2. the balance goes to the Beneficiaries mentioned in the Policy Schedule,
3. failing the legal inheritors by equal share,
4. If no Beneficiary is available after death of the Insured Person, benefits will fall to the Insurer save for any legal claims by the state.

The death capital equals the insured sum as specified in the Policy Schedule.
