The Chameleon Principle®

Save time and money with insurance that adapts to the social security system of the country you move to.

We all like to get the most out of our money. Why then would you pay for something you don't need? That's what the revolutionary Expat & Co Chameleon Principle is all about.

Relocating to a country with a national reimbursement system?

You might not need the whole package. Just **top up** the existing covers with those you still need. This means you enjoy all the benefits of private insurance without paying the price. Applicable to **Austria, Belgium, Czech Republic, Estonia, France, Germany, Israel, Japan, Liechtenstein, Luxembourg, The Netherlands, and Switzerland.**

Relocating to a country without a national reimbursement system but with a care-in-kind system?

Simply upgrade your coverage to **Full Plan** and enjoy free choice of doctor and/or hospital.

Do you have other particular needs?

Easily switch your personal policy to Sleeper Mode if your employer offers excellent healthcare. Leaving your company, but you wish to keep its insurance policy? We have the right package for you.

We've got you covered.
