6.2. What if social security and other insurers also intervene?

In the event that the damage or expenses are also recoverable from other insurance companies, or a Social Security Institution (*Health Fund*), this *Insurance* will only apply to complement the cover in the other policies or schemes up to the given limits in *Our Benefits Guide*.

6.3. What if *We* can recover *Our* payments against a *Third Party*?

For any payment under this policy, the *Underwriter* has a legal right to recover the amount it has paid for a loss by suing the party that caused the loss. The Insured will be obliged to give his/her full cooperation to secure such rights. By having paid the claim to the *Insured Person* the *Underwriter* steps into the shoes and the rights of *Insured Person*. This right is also called "subrogation".

6.4. What if *We* have a dispute in a (medical) expertise?

In case the *Customer* or the *Insured Person* does not agree in a claims matter, then this should be reported to the *Underwriter* within 15 days after notification of the decision.

The dispute will be submitted on contradiction to a commission of 2 experts, one designated by the

Customer and/or the Insured, and one by the *Underwriter*.

If these experts don't agree, they designate a third expert, whose role is to provide a decisive answer. If one of the parties does not designate an expert, or if both experts do not agree about the choice of the third expert, the designation will be done by the Court of First Instance from the head office of the *Underwriter*; on appeal of the plaintiff.

Every party carries the fees of his own expert; the fee of the third expert will be carried by both parties at equal share. The same principle will apply for the fees of subcontracting experts to whom they appeal.

Art. 7. Exchange rates and bank costs

Premiums should always be paid in the currency mentioned in the *Policy Schedule*.

All exchange and all bank costs (including corresponding banks) are at the expense of the payer. Claims will be reimbursed to the *Insured Person*, or in the currency mentioned in the *Policy Schedule*, or in the currency of the invoice.

The date of the exchange will be the date of the invoice. The used rate will be the official interbank rate.

All exchange and all bank costs (incl. corresponding banks) are at the expense of the paying party.

Art. 8. What are the obligations of the *Insured Person*?

The *Insured Person* will be obliged to:

- report the event which may give rise to a claim to the *Underwriter* as soon as possible;
- supply the *Underwriter* with all particulars and documents as soon as possible;
- keep the *Underwriter* informed of new facts and developments in the case;
- take all reasonable measures and precautions to minimize the damage and the consequences for the *Underwriter*;
- lend his full cooperation to the claim settlement and withhold every action that may harm the *Underwriter's* interests.
- all documentation sent to the *Underwriter* should be complete, properly ordered per *Insured Person* and chronologic.

If the insured has not fulfilled these obligations, and this turns out to be a disadvantage to the *Insurer*, the *Insurer* will have the right to reduce the compensation amounting to this disadvantage. The *Underwriter* cannot guarantee timely completion of the claim, in that case.

The *Insured Person* loses any right to reimbursement, taking into account the circumstances under which the event occurred or with respect to any other component of the claim, when he/she:

- has given a misrepresentation of facts or has made an untrue statement;

- withholds information of which he/she could - or reasonably should - know that it might be important to the *Underwriter* in its assessment.

Art. 9. When *We* send notifications to each other.

Notifications by the *Underwriter* to the *Customer* will be made regularly to the *Customers'* last (email) address known to the *Underwriter*.

The *Customer* and/or the *Insured Person* will be obligated to notify the *Underwriter* of any changes of name or address mentioned in the *Policy Schedule*, changes in existing cover with third parties, changes in profession, or political exposure of the different *Insured Persons*.

The *Underwriter* must also be notified in the event of death of the *Customer* or one of the *Insured Persons*.

The *Underwriter* cannot be held responsible for the consequences if the *Customer* and/or the insured fails to notify such events.

All notifications, claims, correspondence, *Physician's* diagnosis and bills, etc... should be in one of the following languages: Dutch, English, French, or German.

All communications sent out by the *Underwriter* will be done in the *Insurance* language.

Art. 10. What if *Your* risk changes?

The *Customer* shall without delay inform the *Underwriter* of any significant and permanent change to the risk.

In the event that during the *Insurance* period the risk is increased to such an extent that the *Underwriter* would have insured the risk according to different conditions if this increased risk had existed at the time of the signing of the *Insurance*, it must, within a period of one month starting from the day on which it has taken cognizance of the increased risk, propose the modification to the *Insurance* with retro-active effect to the date of the start of the increased risk.

In the event that the *Underwriter* furnishes proof that it would not under any circumstances have insured the increased risk, it is entitled to cancel the *Insurance* within a period of one month starting from the day on which it has taken cognizance of the increased risk.

In the event that the proposed change to the *Insurance* is rejected by the *Customer* or if, upon expiry of a period of one month starting from the receipt of said proposal, it is not accepted, the *Underwriter* may cancel the *Insurance* within 15 days.

In the event that a claim occurs and the *Customer* has not complied with the obligation set out in paragraph 1 of this article:

- the *Underwriter* is under an obligation to provide the agreed service if the *Customer* cannot be held responsible for the failure to notify;
- the service to be provided by the *Underwriter* is reduced in proportion to the difference between the paid-up premium and the premium that the *Customer* would have had to pay if he had properly reported the risk, if the failure to notify can be attributed to the *Customer*.

However, in the event that the *Underwriter* furnishes proof that it would not under any circumstances have insured the increased risk, it is only under an obligation to refund all premiums paid;

- in the event that the *Customer* has failed to comply with this obligation by deliberate deceit, the *Underwriter* may reduce its cover.

The premiums that have fallen due up to the day on which the *Underwriter* has taken cognizance of the deliberate omission shall be considered as rightfully belonging to the *Underwriter* as compensation for damages.

Art. 11. Do I have to pay taxes on the benefits?

All current or future duties and taxes will be borne by the *Customer* or the *Beneficiary*, depending on the situation.

Taxes and other charges applicable on income, or on death benefits, are determined by the laws of the State where The *Customer*, the *Insured Person* and/or the *Beneficiary(ies)* are residing and/or by the laws of the country in which the taxable income is acquired.

Art. 12. Which legislation is applicable?

The *Insurance* and the *Insurance* relationship is subject to Slovak law and practice and to exclusive jurisdiction of the Slovak courts.

US legislation and US jurisdiction can never be used in relation to this *Insurance*, except for recovery of damage from *Our* clients towards US third parties.

This plan is designed to cater for globally mobile persons. As such, it does not meet all the requirements for compulsory local insurances. It is the *Customer* and *Insured Persons'* full responsibility to seek legal advice as to whether and how these requirements would apply to their situation.

The only legally binding versions of all contractual documentation is the English language version. Only the texts drafted in English may be used as reference documents if discrepancies are found in documents translated into another language.

Art. 13. How is *Your* Privacy protected?

The *Underwriter* is entitled to process *Your* personal data to the extent and the time necessary to properly fulfil and secure the rights and obligations set forth in the *Insurance* (evaluation of the insured risks, management of the commercial relationship, of the *Insurance* and the claims covered by it, control of the portfolio and to prevent fraud and abuse) and generally binding legal regulations, (e.g.

the Archives Act, the Anti-money laundering Act, accounting or tax regulations, etc.)

Only for these purposes can this information be transferred to a co-insurer, reinsurer, *Alarm Centre*, expert or counsel. This information is only accessible to the underwriting and claims management services as part of their duties. All information will be handled with the greatest discretion.

The *Underwriters* shall also:

- take all measures to preventing unauthorized or random access to personal data, or the alteration, destruction, loss, unauthorized transmission, other unauthorized processing or other abuse thereof; this obligation shall apply even after the termination of the processing of personal data;
- ensure that any person who comes into contact with personal data (in particular *Underwriter's* employees and partners) adhere to the obligations set above, including after the termination of the contractual or employment relationship.
- only process true and precise personal data;
- not combine personal data obtained for different purposes;
- ensure the protection of *Your* private live when processing the personal data.
- provide, at *Your* request, information about the processing of their personal data.

All involved persons have the right to look into their own particulars and have them corrected, if necessary.

GENERAL CONDITIONS SPECIFIC TO MODULE 2 – YOUR ASSISTANCE

These conditions describe the elements that only apply for *Module 2*

Art. 19. About Repatriation or medical evacuation of the insured

In case the *Insured Person* has been *Hospitalised* as a result of an *Illness* or an *Accident* occurring outside the *Home Country*, and the *Alarm Centre's* medical team considers it necessary to transfer him/her to a better skilled medical centre, or a centre in the *Home Country*, the *Alarm Centre* will organise, at its expense, the repatriation or transportation of the *Insured Person*, if necessary under medical surveillance.

In case the insured was transported to a better skilled medical centre *Abroad*, in a second instance, repatriation to the *Home Country* can be considered, if necessary and insofar as this is warranted by the state of health at that time. If not necessary, a return ticket to the country where the *Insured Person* studies will be made available by the *Underwriter*.

The decision concerning transport and the means of transport, will only be taken by the *Alarm Centre's* consulting *Physician* and this in function of technical and medical importance. It is made compulsory to have the *Alarm Centre's Physician's* approval for every transport. The *Alarm Centre* also takes charge of the organisation for transportation of one person while accompanying the repatriated *Insured Person* to the place of *Hospital* or the *Home Country*.

Art. 20. In case of death while *Abroad*.

Option A:

In case of death of an *Insured Person*, the *Alarm Centre* will organise the repatriation of the mortal remains and takes charge of:

- the post-mortem treatment;
- a coffin, limited as mentioned in the Benefits Guide;
- the transportation of the remains from the place of death to the place of burial or cremation, as mentioned in the Benefits Guide;
- a round-trip for 1 family member to accompany the remains, in case the *Insured Person* stays *Abroad* alone.

The family can also opt for burial or cremation on the spot. In that case the *Alarm Centre* will take charge of:

- the post-mortem treatment;
- coffin, limited as mentioned in the Benefits Guide;
- a round-trip for the direct family members (partner, child, parent, brother, sister, grandparent or grandchild and/or of those people who lived as a family with the deceased insured) including accommodation during maximum 3 days.

The intervention of the *Underwriter* is under all conditions limited to the expenses that would have been taken charge of for the repatriation of the mortal remains to the *Home Country* (Option A).

In both cases the accommodation expenses will be reimbursed, as mentioned in the Benefits Guide under "Travel and accommodation expenses for family members".

The *Underwriter* also takes charge of the funeral costs, as mentioned in the Benefits Guide.

The expenses in relation with any ceremony will not be paid for by the *Underwriter*.

In case of death, or a situation of mortal danger, of a *Close Relative* who is not travelling with the insured (partner, child, parent, brother, sister, grandparent or grandchild, including in-law family),

the *Alarm Centre* organises the transport and eventual accommodation, if needed, as mentioned in the Benefits Guide under "Travel and accommodation expenses for family members", with a maximum of 7 days.

This cover is limited to 1 round trip per *Relative*. The return trip should fall within 30 days after the outward trip.

Art. 22. How and when are Travel and accommodation costs reimbursed?

The *Alarm Centre* organises the travel and accommodation, as mentioned in the Benefits Guide, for:

- the urgent return of the *Insured Person* because a *Close Relative* has deceased, or has been *Hospitalised* in a life threatening or very critical condition (limited to 1 round trip per *Relative*);
- the necessary presence of 1 family member, in the event an *Insured Person* is *Hospitalised* in a life-threatening or critical medical condition. This service will only be rendered if the *Insured Person* has not yet died before the time of departure;
- the necessary presence of 1 person to accompany the *Insured Person* in case of an emergency evacuation or repatriation of the mortal remains;
- the necessary presence of 1 family member to accompany the *Insured Person* in case of an emergency evacuation or repatriation of the mortal remains.

Art. 23. Search and rescue costs

The *Alarm Centre* will pay for a search and rescue operation, as mentioned in the Benefits Guide, made to save the *Insured Person's* life or physical integrity, on the condition that the rescue action is led by the local authorities or by official relief organisations. The provision of this service is only applicable in so far as the *Destination* of the trip was not strongly discouraged by the authorities.

In case of a ski *Accident* (only in the Comprehensive version or when *Option 2* is taken out) with physical injuries on a ski run the *Alarm Centre* will organise a search and rescue operation to bring the insured back down per sledge or helicopter.

The *Accident* must absolutely be reported to the *Underwriter* within 72 hours after occurrence.

The expenses for this operation can be claimed back to the client when this occurs outside the well-defined ski run without a guide recognized by the local authorities.

Art. 24. Forwarding of essential medicines/medical applications, not locally available.

The *Alarm Centre* will do everything in its power to organise the search and disposal of essential medication or medical appliances, prescribed by a competent medical authority, not locally available, but available at the *Home Country*. It is made compulsory to have the *Alarm Centre's* medical team's approval for delivery.

The sending depends on availability of means of transport and must be in accordance to the local and international laws. The *Insured Person* commits himself/herself to reimburse the *Underwriter* for the price of the medication or appliances which were put at his/her disposal (except when covered in another cover of this *Insurance*), increased with the clearance expenses, and this within a period of 30 days after sending. A surety will be asked.

The *Underwriters'* medical team shall always give approval first.

Art. 25. Forwarding urgent messages

Upon request of the *Insured Person*, the *Alarm Centre* will forward urgent messages to every person in relation with the insured cover and actions set out.

All communications to be sent are subject to justification of the request and must state the message clearly and explicitly, as well as the correct name, address and phone number of the person to be contacted.

Every document regarding penal, financial, civil or commercial liability results will be communicated on full responsibility of the author, whose identity must be known. The content must be in accordance with the local and eventual international law and cannot hold any liability against the *Alarm Centre* or *Underwriter*.

Art. 26. Assistance in case of loss or theft of travel and ID documents, bank cards or credit cards

In case of loss or theft of *Travel Documents* and after the *Insured Person* reported it to the local authorities, the *Alarm Centre* will put the necessary tickets at the disposal of the *Insured Person* to continue his/her journey or to return to his/her residence.

The *Insured Person* commits himself/herself to reimburse the *Underwriter* for the price of the tickets which were disposed to him (except when covered in another cover of this *Insurance*, e.g. *Baggage*), increased with the clearance expenses, and this within a period of 30 days after sending. A surety will be asked.

In case of loss or theft of identity documents, visas, driving licenses, insurance papers, registration documents, and the like, and after the *Insured Person* reported it to the local authorities, the *Alarm Centre* will assist the insured by advising and intervening at the local embassy, consulate and other official bodies for the disposal of the necessary identity certificates, and pay for the travel expenses to and from the embassy/consulate, limited as mentioned in the Benefits Guide under "Travel and accommodation costs of family members".

In case of loss or theft of bank cards or credit cards and after the *Insured Person* reported it to the local authorities, the *Alarm Centre* will act towards the

financial institutions to take the necessary precautions.

Under penalty of decline of cover, the *Insured Person* has to report the loss or theft to the local authorities. If necessary and when possible the *Alarm Centre* will perform the functions of interpreter.

Under no circumstances can the *Alarm Centre*, nor the *Underwriter*, be held liable for incorrect transfer of information provided by the *Insured Person*.

Art. 27. Legal assistance *Abroad*

When the private rights or interests of the insured are at risk, due to incidents occurring during the stay of the insured *Abroad*, with the exception of losses as a consequence of the possession, the keeping or the use of a motorized vehicle, the insured can claim a reimbursement of the costs incurred for legal assistance, without however exceeding the amount stipulated in the Benefits Guide, per claim, and only in relation to:

- the recuperation of the corporal, material and consequential immaterial loss following a physical injury sustained by the *Insured Person* for which a *Third Party* is liable based on local legal provisions;
- the legal defence of the *Insured Person* in case the insured issued in court for his private liability, under the laws of the country where he/she is, for losses inflicted to third parties, or after being guilty for involuntary offence of local laws.

Are covered the costs for the necessary legal assistance or those incurred by the *Alarm Centre*, insofar as these are not to be recuperated from a *Third Party*, namely:

- the costs linked to the investigation and the handling of the case;
- the costs linked to the calling in of lawyers, bailiffs, witnesses and experts.

The fees of the lawyer are not charged to the *Underwriter* if the lawyer is treating the case on a "no cure - no pay" basis. In this case it should be considered that the fees are included in the compensation for prejudice;

- in agreement with the *Alarm Centre*, the costs incurred by the insured for accommodation and travel.

Travel costs will be reimbursed following common tariffs for public transport and/or economy class. The accommodation expenses will be reimbursed, as mentioned in the Benefits Guide under "Travel and accommodation expenses for family members". On the request of the insured and provided there is sufficient guarantee, the *Alarm Centre* will provide an advance for a maximum mentioned in the Benefits Guide for:

- the payment of due legal proceedings and execution costs of the insured and the adverse party, with the exception of money deposited as security, insofar as an irrevocable legal judgement determines that these costs must be borne by the insured;
- the release of the insured if he/she has been placed under arrest after a traffic accident.

A similar advance or bail will be considered as a loan to the insured, which he/she will reimburse to the *Underwriter* in totality as soon as the amount of the bail is paid back to him/her in case of the dropping of legal proceedings, a verdict of not guilty or otherwise within 30 days after the date on which the competent tribunal has pronounced the judgement.

Reimbursement to the *Underwriter* should in any case not occur later than 30 days after that advance has been made or the bail has been posted. A surety will be asked.

The *Underwriter* has the right to refuse a request for such a loan if it concludes that it is not sufficiently secured or if there are doubts about the ability of the insured to properly repay the loan.

27.1. What is not covered in Legal Assistance?

Additional to the general exclusions mentioned in the General Conditions common to all *Modules & Options* (Art. 5.), there shall be no reimbursement for:

- damage or expenses following cases known – or reasonably should be known -- by the *Insured Person* prior to the *Effective Date* of the *Insurance*;
- the cases in which the interest at stake is less than 250 EUR;
- the costs (including the costs linked to the calling in of a lawyer or an expert) which are incurred without the prior approval of the *Alarm Centre* or *Underwriter*;

- in case of malice, serious culpability or negligence on the part of the insured;
- the costs which are the consequence of omissions or faults of the insured in relation to the treatment of the case.
- US/Canada punitive or exemplary damages.

From the moment when the *Underwriter* has communicated to the insured that further treatment of the case has no reasonable chance of success, the insured can no longer make any claim for coverage except for the settlement of the dispute as described hereafter.

27.2. Freedom of choice of lawyer or expert

The *Underwriter* will always try first to settle the dispute with the *Third Party* in an amicable way. If *We* don't succeed, *You* have freedom of choice of lawyer and/or expert.

The cost of changing lawyer or expert, during procedure, is however subject to *Our* prior pre-approval.

27.3 Settlement of disputes

In case of difference of opinion between the insured and the *Underwriter* on the result to be expected, or on the way to handle the case, the insured can, after agreement with the *Underwriter* to charge this to the *Underwriter's* account, submit the case to 1 lawyer of his /her choice who is expert in the field in question.

This has to be done as soon as possible, and in any case within 1 month after the *Underwriter* has communicated the insured its opinion on the result to be expected or on the way of handling the case, which is contested by the insured. Should that lawyer share the *Underwriter's* point of view, then the insured can only proceed with the case at his/her own expense. Should the result show that the insured is wholly or partially vindicated, then the costs are reimbursed to a maximum of the sum mentioned in the Benefits Guide.

In the case the insured loses confidence in the designated lawyer who is handling the case, the insured can, at the *Underwriter's* expense, transfer the case to another lawyer, under condition that the *Underwriter* can reasonably share the point of view of the insured.

Art. 28. Specific conditions concerning Assistance services

The assistance benefits are insured by the *Underwriter*. The organisation and the execution of these services have been entrusted to the *Alarm Centre*. The implementation by the insured, or by one of his family members, of one of the services described above can only give rise to reimbursement if the *Alarm Centre* has been previously notified and has given its explicit approval for the means to be used, by opening a file number.

The costs incurred will only be reimbursed after presentation of the necessary supporting

documents and within the limits for which the *Alarm Centre* has committed itself for the organisation of the provision of assistance mentioned above. Only the additional costs, besides those, which the insured would normally incur for his/her return to his/her *Home Country*, are taken in charge.

If the *Alarm Centre* has organised the return trip of the insured and has borne the costs, the *Customer*, the insured and/or his/her *Beneficiaries* are obliged to take the necessary measures to obtain reimbursement of the transport tickets which were not used and to reimburse the *Underwriter* for that amount within a delay of 30 days maximum. A surety will be asked.

When the *Alarm Centre* has expressed its approval for the change in the means of transport to be used or in the destination, these become contractually established, its financial participation can never be superior to the amount that had been foreseen for the execution of the original transport contract. When the costs of hotel accommodation are taken in charge, the *Underwriter* only intervenes for the actual costs of renting a room, within the limits foreseen in the Benefits Guide, excluding all other costs.

The *Alarm Centre* may only intervene within the limits of the agreements, which were granted by the local authorities. It may in no case take the place of local organisations for the provision of first aid

services, and therefore would not bear the inherent costs.

The *Alarm Centre* or the *Underwriter* cannot be held responsible for the faults or for the wrong execution of its obligations as a consequence of circumstances outside one's control such as civil wars or war with a *Foreign Country* revolution, popular rebellion, insurrection, strike, sequestration or constraint by the police and/or by the local authorities, official prohibition, sanctions, piracy, detonation of explosives, nuclear or radioactive effects, climatic obstructions.

Art. 29. What is not insured relating to Assistance?

Additional to the general exclusions mentioned in the General Conditions common to all *Modules & Options* (Art. 5.), there shall be no reimbursement for:
