In the event that the *Underwriter* furnishes proof that it would not under any circumstances have insured the increased risk, it is entitled to cancel the *Insurance* within a period of one month starting from the day on which it has taken cognizance of the increased risk.

In the event that the proposed change to the *Insurance* is rejected by the *Customer* or if, upon expiry of a period of one month starting from the receipt of said proposal, it is not accepted, the *Underwriter* may cancel the *Insurance* within 15 days.

- the *Underwriter* is under an obligation to provide the agreed service if the *Customer* cannot be held responsible for the failure to notify;
- the service to be provided by the *Underwriter* is reduced in proportion to the difference between the paid-up premium and the premium that the *Customer* would have had to pay if he had properly reported the risk, if the failure to notify can be attributed to the *Customer*.

However, in the event that the *Underwriter* furnishes proof that it would not under any circumstances have insured the increased risk, it is only under an obligation to refund all premiums paid;

- in the event that the *Customer* has failed to comply with this obligation by deliberate deceit, the *Underwriter* may reduce its cover.

The premiums that have fallen due up to the day on which the *Underwriter* has taken cognizance of the deliberate omission shall be considered as rightfully belonging to the *Underwriter* as compensation for damages.

Art. 11. Do I have to pay taxes on the benefits?

All current or future duties and taxes will be borne by the *Customer* or the *Beneficiary*, depending on the situation.

Taxes and other charges applicable on income, or on death benefits, are determined by the laws of the State where The *Customer*, the *Insured Person* and/or the *Beneficiary(ies)* are residing and/or by the laws of the country in which the taxable income is acquired.

In case the *Insured Person* has been hospitalised as a result of an *Illness* or an *Accident* occurring outside the *Home Country*, and the *Alarm Centre's* medical team considers it necessary to transfer him/her to a better skilled medical centre, or a centre in the *Home Country*, the *Alarm Centre* will organise, at its expense, the repatriation or

transportation of the *Insured Person*, if necessary under medical surveillance.

In case the *Insured* was transported to a better skilled medical centre *Abroad*, in a second instance, repatriation to the *Home Country* can be considered, if necessary and insofar as this is warranted by the state of health at that time.

The decision concerning transport and the means of transport, will only be taken by the *Alarm Centre's* consulting *Physician* and this in function of technical and medical importance. It is made compulsory to have the *Alarm Centre's Physician's* approval for every transport.

The *Alarm Centre* also takes charge of the organisation and expenses for transportation of one person while accompanying the repatriated *Insured Person* to the place of *Hospitalisation* or the *Home Country*.

Art. 21. In case of death while Abroad.

Art. 23. Legal assistance Abroad

When the private rights or interests of the *Insured* are at risk, due to incidents occurring during the stay of the *Insured Abroad*, with the exception of losses as a consequence of the possession, the keeping or the use of a motorized vehicle, the *Insured* can claim a reimbursement of the costs incurred for legal assistance, without however exceeding the amount stipulated in the Benefits Guide, per claim, and only

in relation to:

- the recuperation of the corporal, material and consequential immaterial loss following a physical injury sustained by the *Insured Person* for which a *Third Party* is liable based on local legal provisions;
- the legal defence of the *Insured Person* in case the *Insured* issued in court for his private liability, under the laws of the country where he/she is, for losses inflicted to *Third Parties*, or after being guilty for involuntary offence of local laws.

- the costs linked to the investigation and the handling of the case;

- the costs linked to the calling in of lawyers, bailiffs, witnesses and experts.

- the release of the *Insured* if he/she has been placed under arrest after a traffic accident.

A similar advance or bail will be considered as a loan from the *Alarm Centre* to the *Insured*, which he/she will reimburse in totality as soon as the amount of the bail is paid back to him/her in case of the dropping of legal proceedings, a verdict of not guilty or otherwise within the 30 days after the date on which the competent tribunal has pronounced the judgement.

Reimbursement to the *Alarm Centre* should in any case not occur later than 60 days after that advance has been made or the bail has been posted.

The *Underwriter* has the right to refuse a request for such a loan if it concludes that it is not sufficiently secured or if there are doubts about the ability of the *Insured* to properly repay the loan.

23.1. What is not covered in legal Assistance?

Additional to the general exclusions mentioned in the General conditions common to all modules (Art. 5.), there shall be no reimbursement for:

23.2. Freedom of choice of lawyer or expert

The *Underwriter* will always try first to settle the dispute with the *Third Party* in an amicable way. If *We* don't succeed, *You* have freedom of choice of lawyer and/or expert.

The cost of changing lawyer or expert, during procedure, is however subject to *Our* prior pre-approval.

23.3. Settlement of disputes

In case of difference of opinion between the *Insured* and the *Underwriter* on the result to be expected, or on the way to handle the case, the *Insured* can, after agreement with the *Underwriter* to charge this to the *Underwriter's* account, submit the case to 1 lawyer of his /her choice who is expert in the field in question.

This has to be done as soon as possible and in any case within 30 days after the *Underwriter* has communicated the *Insured* its opinion on the result to be expected or on the way of handling the case, which is contested by the *Insured*.

Should that lawyer share the *Underwriter's* points of view, then the *Insured* can only proceed with the case at his/her own expense. Should the result show that the *Insured* is wholly or partially vindicated; the costs are reimbursed to a maximum of the sum mentioned in the Benefits Guide.

In the case the *Insured* loses confidence in the designated lawyer who is handling the case, the *Insured* can, at the *Underwriter's* expense; transfer the case to another lawyer, under condition that the *Underwriter* can reasonably share the point of view of the *Insured*.

Art. 24. Specific conditions concerning Assistance services

The assistance benefits are insured by the *Underwriter*.

The organisation and the execution of these services have been entrusted to the *Alarm Centre*. The implementation by the *Insured* or by one of his family

members, of one of the services described above can only give rise to reimbursement if the *Alarm Centre* has been previously notified and has given its explicit approval for the means to be used, by opening a file number.

The costs incurred will only be reimbursed after presentation of the necessary supporting documents and within the limits for which the *Alarm Centre* has committed itself for the organisation of the provision of assistance mentioned above. Only the additional costs, besides those, which the *Insured* would normally incur for his/her return to its *Home Country*, are taken in charge.

If the *Alarm Centre* has organised the return trip of the *Insured* and has borne the costs, the *Customer*, the *Insured* and/or his/her *Beneficiaries* are obliged to take the necessary measures to obtain reimbursement of the transport tickets which were not used and to reimburse the *Underwriter* for that amount within a delay of 30 days maximum. A surety will be asked.

When the *Alarm Centre* has expressed its approval for the change in the means of transport to be used or in the destination, these become contractually established, its financial participation can never be superior to the amount that had been foreseen for the execution of the original transport contract.

When the costs of hotel accommodation are taken in charge, the *Underwriter* only intervenes for the actual costs of renting a room, within the limits

foreseen in the Benefits Guide, excluding all other costs.

The *Alarm Centre* may only intervene within the limits of the agreements, which were granted by the local authorities. It may in no case take the place of local organisations for the provision of first aid services, and therefore would not bear the inherent costs.

The *Alarm Centre* or the *Underwriter* cannot be held responsible for the faults or for the wrong execution of its obligations as a consequence of circumstances outside one's control such as civil wars or war with a *Foreign Country* revolution, popular rebellion, insurrection, strike, sequestration or constraint by the police and/or by the local authorities, official prohibition, piracy, detonation of explosives, nuclear or radioactive effects, climatic obstructions.
